

JOB DESCRIPTION

JOB TITLE: CREATIVE TRAILER EDITOR
REPORTING TO: EXECUTIVE CREATIVE DIRECTOR

COMPANY OVERVIEW

Picture Production Company is an award winning International Creative Agency with over 30 years of film marketing experience and state of the art offices in London and Los Angeles.

We pride ourselves on getting to the heart of every story. Our commitment, our passion and our attention to detail can be seen onscreen in each and every job we do.

THE ROLE

We are looking for talented creative trailer editors with a dedication to style and story to join our close knit, editing team in our Beverly Hills facility. We want you to become a creative go-to for our clients, with all that this involves. And to be winning awards recognizing your talent for creating the best work out there.

MAIN RESPONSIBILITIES

- Receiving, interpreting client and agency briefs and developing detailed creative responses
- Creatively editing Teasers, Trailers, TV Spots, Creative Content and Social AV, across multiple genres, to brief, and to an industry high standard
- Representing the agency and helping build on the network of clients it has carefully cultivated.

Successful candidates must:

- Have an undying passion for Film, TV and creative marketing
- Have an exciting portfolio including Trailers, TV spots and long form content
- Have a great ear for music and a detailed knowledge of current libraries
- Be a team player with exceptional communication skills and a love of collaboration
- Be able to contribute to creative brainstorming and problem solve
- Be proactive, able to work on your own initiative, and take ownership
- Be highly motivated, exceptionally organized and well disciplined
- Be able to handle multiple projects simultaneously and multi-task under pressure to tight deadlines
- Be willing to go above and beyond the call of duty for our clients

REQUIRED SKILLS

- Exceptional working knowledge of offline workflows
- Detailed working knowledge of Adobe Premier, Apple FCP - knowledge of AVID an advantage
- Great working knowledge of finishing, formats, frame rates and codecs
- Meticulous attention to quality, detail and project organization
